Jew Ms Soans

I just wanted to drop you a quick note to say a huge 'thank you' to you for all of Oundle Town Council's efforts during the recent gas supply issue in Oundle. I know that the engineers worked tirelessly around the clock to restore the supply and were ably supported by the terrific community effort to help support vulnerable and elderly people, during what was a particularly cold few days.

Today, I was able to raise this on the floor of the House of Commons, and although I didn't have the opportunity to mention everyone by name (I was already testing Mr Speaker's patience with the length of the question as it was!), I was pleased to have the chance to do so – to that end, I enclose a copy of Hansard in case you would like to see it.

So, please do convey my thanks and appreciation to everyone involved at Oundle Town Council – I know I speak for myself and the whole community in thanking you for all of your sterling endeavours.

with best wishes
