

About the Mayor's Charities

Volunteer Action (Charity number 1056760) helps people in Oundle, Thrapston and the surrounding villages keep their independence, stay living in their own homes and remain part of the community by providing transport for essential journeys and, through that, companionship.

CHAT Oundle

CHAT Youth Counselling (Charity number 1135647) supports young people aged 9 to 25 from Oundle, Thrapston and villages in the NE of the county with free, confidential help from fully qualified Counsellors for as long as it is needed. 25 -30 young people are supported each week.

Young people everywhere are prone to the same issues. These can include bullying, bereavement, poverty, changing situations at home, peer pressures, sexuality and eating disorders. Locally, rural isolation is significant. The name, chosen by Prince William School students for the launch in 1997, stands for **Confidential Help Advice and Time**.
