

Dear Town/Parish Council,

East Northamptonshire Council's Residents' Survey for 2018 closes on Monday. This is an opportunity for residents to give their feedback on public services in the district and where they feel improvements could be made and has been advertised in the nene valley news newspaper and on our website.

We would very much like to reach as many residents as possible and wondered if you'd be so kind to 'advertise' a last push of this survey.

The survey can be accessed from our council website at <https://www.east-northamptonshire.gov.uk/residentssurvey> and is open to all residents of East Northamptonshire.
