

# Joint Action Group

East Northamptonshire -  
North

Oundle & Surrounding  
Area

Newsletter: Autumn 2019. No 1.

The **Joint Action Group** meets quarterly in Oundle. The meeting focus is on anti-social behaviour and rural crime. It is a forum where our local Policing team, Community Partnerships, Highways and other key agencies work together with Parish Councillors to discuss locally identified issues and agree a priority for action.

## Anti-Social Behaviour

**Oundle:** Drugs related issues: The problems with youths congregating and smoking cannabis in New Rd. have ceased following Police intervention.

The East Rd. carpark and Barnwell Country Park are now under surveillance.

**Warmington:** Police action and the recent addition of CCTV is thought to have been effective in curbing repetitive low level vandalism at the Warmington sports field

## Rural Crime

**Car Theft:** Thefts reported from cars parked in Fineshade, Barnwell and Upper Benefield. Remember that visible items tempt thieves!

**Burglary:** A case of suspected burglary was investigated at Easton on the Hill. House owners, especially those living in detached houses in rural locations, are urged to be proactive and install safety and timer lights in and around their homes.

**Lamping:** (hunting wildlife at night/early morning using powerful torches or vehicle headlights) Cases reported in Lutton, Ashton, Apethorpe and Deenethorpe. Report sightings to the Police using 999 if the activity is in progress or 101 to report that an incidence has occurred.

## Locally Identified Priority : October 2019 – January 2020

### Local Policing team to focus on:

**Barnwell:** A group of underage youths who have caused damage to vehicles and broken into storage units at Barnwell.

**Drug Use:** Surveillance to be continued on East Road Car Park and Barnwell Country Park

## Need to Report a Crime?

**Call 999** if there is immediate danger, a threat to life or a crime in progress.

**Call 101** for non-emergencies

**Crime Stoppers is 100% confidential**, to anonymously report a crime or suspicious behaviour:

- Call **0800 555 111**
