Rules and conditions for interment in the cremated remains area of Oundle Cemetery

Memorials:

- Memorials shall be a single flat stone slab. Approval of the design ***must be obtained*** from Oundle Town Council.
- Vases, kerbs or upright memorials are not permitted.
- Slabs shall be not greater than 375mm (15 inches) square and shall have a minimum thickness of 50mm (2 inches). They shall be set into the ground to lie flush with ground level.
- Slabs shall be set centrally on the plot. The Council reserves the right to realign misplaced slabs.
- All slabs shall be inscribed with the plot number in numerals not less than 12mm (0.5 inches) high on the reverse of the stone.
- All slabs to be read from the north (e.g. inscriptions to face uphill).

Please Note:

The area around the burial plot will be maintained by Oundle Town Council, however, the maintenance of the plot is the responsibility of the owner.

Floral Tributes:

- No planting or containers are permitted on these plots.

- Flowers may be placed in the memorial plinth provided for the purpose or a posy of fresh flowers may be laid on graves, which will be removed by Council grounds staff once they are withered.
- Please take into consideration the cemetery is surrounded by open fields and wildlife and there are times when floral tributes may be disturbed by animals or birds.
