

Oundle Open Gardens

Sunday 17th June 2018

11am - 5pm

Oundle is a wonderful Northamptonshire town with parks, walks and play areas. It is also home to a lot of enthusiastic gardeners who would like to share their passion with you to support a very worthwhile local charity.

11 gardens within a mile radius of the town centre will open on Sunday 17th June 2018. Whether you are truly green fingered or simply horticulturally-curious come along and visit courtyards to fields, from rambling to the manicured.

There will be refreshments, plant sales, a raffle with fantastic prizes supplied by local businesses, a children's quiz and a single ticket, will allow you to visit some or all of the gardens as you prefer. The map and guide will tease you with what to expect at each location along with advice on accessibility and which gardens are happy to welcome four-legged friends on short leads.

Come along and enjoy the day, wandering around some beautiful gardens whilst supporting an amazing charity.

£4.50/adult
children free
