PC21.98.01 Planning Applications

Item	Reference	Details
21.98.01.01	NE/22/00276/FUL & NE/22/00303/LBC 58 West Street, PE8 4EF Sunny Bains	Proposed internal and external alteration works to dwelling, including new lantern light to flat roof, reducing 1 window, new set of bifold doors, and minor internal alterations to C20 extension. (Resubmission) OTC comments from Jan PCM: No objection subject to any contrary views of the Conservation Officer.
21.98.01.02	NE/22/00307/FUL 106 Glapthorn Road, PE8 4PS Ellen Carr	Proposed single storey rear extension, new pitched roof to replace flat roof and the relocation of the front porch.
21.98.01.03	NE/22/00298/FUL 9 Rock Road, PE8 4LN Jacqui Colbourne	Two storey rear extension, single storey side extension, and raising of roof on existing rear projection.
21.98.01.04	NE/22/00244/FUL & NE/22/00245/LBC 1 St Osyth's Lane, PE8 4BG Ian Baish	Repair existing failing Collyweston roof slates to rear elevation and replace them with new Collyweston roof slates, repair timbers as necessary - Resubmission of NE/21/01485/FUL & NE/21/01486/LBC. OTC comments from Nov 21 PCM: Given that Oundle Town Council's Planning Guidance Document states: (e) ROOFING MATERIALS Any roof which comprises Collyweston tiles shall only be repaired or replaced using Collyweston tiles, Oundle Town Council object to the use of Winchcombe roof slates as an alternative to Collyweston.
21.98.01.05	NE/22/00188/ADV The Co-op, 5 St Osyth's Lane, PE8 4BG Jennifer Wallis	3 x halo illuminated letters on rails 1 x projecting signs 1 x double sided post sign. Extract from OTC Planning Guidance Doc states: POLICIES AFFECTING THE CONSERVATION AREA (b) INTERNALLY ILLUMINATED SIGNS Save in exceptional circumstances the grant of planning permission for the installation of any internally illuminated signs on buildings in the conservation area or installed internally but visible externally is unlikely to be supported. (c) EXTERNALLY ILLUMINATED SIGNS There is no objection in principle to externally illuminated signs being erected on any non-listed building in the conservation area but if the nature or number or size or general appearance of any sign is out of keeping with the conservation area it is unlikely to be supported.

		<p>(d) CHANGES TO SHOP FRONTS</p> <p>There is a presumption in favour of the retention of existing shop fronts which are appropriate to the building in question even on buildings where the planning use has changed from A1 retail such that the grant of planning permission to change such shop fronts is unlikely to be supported.</p>
21.98.01.06	<p>NE/22/00372/CND Berrystead Barn, 10 Duck Lane, PE8 4DY</p>	<p>Discharge of conditions pursuant to NE/21/01810/LBC. Internal and external alterations to Berrystead Barn and Scott House, including opening up original masonry wall between Berrystead Barn and Scott House, and changes to fenestration to Berrystead Barn. Condition 2 - Joinery details for new windows.</p>
21.98.01.07	<p>NE/22/00358/TCA Cherry Orchard Yard 13 - 17 Benefield Road, PE8 4EU Brian Ogden</p>	<p>T1- Eucalyptus- Remove most easterly lower limb growing towards property on St Ann's Court. To balance crown and remove risk of limb failing in the future. T2- Ash- Remove three smaller branches back to main limb growing on lowest south eastern limb towards 4 St Ann's Court. Remove 2 smaller branches off eastern limb. To allow more light and clearance to property. T3- Maple- Remove single eastern branch growing towards 4 St Ann's Court back growth point before main stem. To allow more clearance to property. T4- Walnut- Fell to ground level. Severe lean over neighbouring garden- tree lost several large branches damaging neighbours garden in past storm. Will improve safety and light in to the neighbouring garden. T5 Elm. Remove previously shortened limb which bends back and crosses main stem. Limb is wearing on the main stem of the tree, removing limb will stop this. T6- Sycamore. Fell to ground level. Poor health and sparse crown. Remove due to health and risk of tree falling/ damaging outbuilding.</p>
21.98.01.08	<p>NE/22/00347/CND Cotterstock Road, Oundle</p>	<p>Discharge of conditions pursuant to NE/21/00966/REM - Reserved matters: siting, scale, appearance and landscaping of 126 dwellings pursuant to 19/01327/OUT - Outline planning application for the erection of up to 130 dwellings with public open space, landscaping, sustainable drainage (SuDS) and vehicular access points from Cotterstock Road and St Peters Road. (All matters reserved except for site access) (condition 1). Condition 8 - Estate street phasing and completion plan condition 10 -Proposed arrangement future management and maintenance of verges Condition 11 - Full engineering, drainage, street lighting and construction details of streets Condition 13 -</p>

		Boundaries and bin plan Condition 14 - Protection of retained trees.
21.98.01.09	NE/22/00274/LDP Laxton Junior School, East Road, PE8 4BX For information only.	The proposal is to extend and reconfigure an existing playground (there will be zero net gain in hard surfacing) and provide a new fence enclosure as indicated on the attached drawings. A new open-sided canopy and external store is proposed of a total area of approx 70m2, with ridge heights and proximity to the school boundary as indicated in the attached drawings. This proposal is incidental to the ongoing use of the school.
21.98.01.10	NE/22/00382/TCA 92 South Road, PE8 4BP	T1 to T4 Lime trees to be repollarded.

PC21.98.02 Planning Outcomes:

Item	Reference	Outcome
21.98.02.01	NE/21/01785/FUL 19 West Street, PE8 4EJ Replacement of existing wooden single glazed windows (partly rotten), with UPV double glazed units of almost identical woodgrain finish and design (Retrospective).	<p>Recommendation: Oundle Town Council objects to the application.</p> <p>The building is a seventeenth century grade 2 listed building in the conservation area. The applicant should not have undertaken any work on the property without first applying for and obtaining consent and could and should have sought advice from the conservation officer even before submitting an application. If the application had not been made retrospectively the council would have objected unless satisfied that replacement of each window was necessary taking the view that they should have been properly repaired if capable of being repaired and provided that any required replacement window/windows was/were appropriate. The council believes that this would have meant a 'like for like' replacement with single glazed windows in replica wooden frames. The council appreciates that double glazed windows have advantages over single glazed ones and would not have objected had the applicants sought to have secondary glazing fitted if the same could be installed in a way acceptable to the conservation officer.</p> <p>The council is very concerned that granting retrospective consent would potentially set a dangerous precedent and would certainly do nothing to discourage others from undertaking works on a listed building/within the conservation area without the required consent.</p>

		<p>The windows that have been fitted are inappropriate and should be removed. They are to the detriment of the listed building itself and to the conservation area more generally.</p> <p>Outcome: REFUSED 02/03/2022</p>
21.98.02.02	<p>NE/21/01738/VAR 15 St Peter's Road, PE8 4PH Pete Baish</p>	<p>Recommendation: Regarding variations: addition of fascia board and porch to front elevation, and reconfiguration of rear first floor windows, OTC have no objection. Regarding the second part of the variation: confirm the sizes of as built windows to all elevations pursuant to 20/00263/FUL, OTC would have an objection if the original specified approved sizes of window have not been adhered to. Following further information from the case officer, OTC registered no further objection.</p> <p>Outcome: GRANTED 07/03/2022</p>
21.98.02.03	<p>NE/21/01790/FUL Land adjacent to Pexley Court PE8 New dwelling on land off Pexley Court.</p>	<p>Recommendation: No objection subject to any contrary views of the Tree Officer and subject to Highways being satisfied with the planned site access and egress on to Pexley Court. OTC are pleased that in submitting a revised application the applicant has tried to retain as many trees on site as was practicable and has taken on board concerns by providing for a single dwelling rather than two or more and, indeed, making the proposed dwelling largely single storey.</p> <p>Outcome: GRANTED 08/03/2022</p>
21.98.02.04	<p>NE/21/01826/FUL & NE/21/01827/LBC 51 North Street, PE8 4AL Widening of existing C20 gated entrance.</p>	<p>Recommendation: No objection.</p> <p>Outcome: GRANTED 08/03/2022</p>
21.98.02.05	<p>NE/21/01794/LDP 13 Clifton Drive, PE8 4EP Reconfiguration of ground floor.</p>	<p>Recommendation: No objection.</p> <p>Outcome: GRANTED 14/03/2022</p>
21.98.02.06	<p>NE/22/00063/TCA 2 Herne Road, PE8 4BS T1 - Sycamore - crown lift to 4m; T2 - Hornbeam - Thin 10% and crown lift over highway to 5.2m.</p>	<p>Recommendation: Oundle Town Council does not object to the proposed tree works in respect of the sycamore but is concerned at the works proposed in relation to the hornbeam. Given the nature of the tree and its location the council invites the tree officer to consider whether the tree should be made subject to a tree preservation order so that any tree husbandry undertaken is only undertaken if necessary and if undertaken appropriately.</p> <p>Outcome: GRANTED 15/03/2022</p>
21.98.02.07	<p>NE/21/01773/TPO Prince William School, Herne Road, PE8 4BS</p>	<p>Recommendation: No objection subject to any contrary views of the Tree Officer.</p> <p>Outcome: GRANTED 15/03/2022</p>

	T3656 Sycamore - Section fell to ground level as recommended in the attached survey.	
21.98.02.08	NE/21/01831/TCA 12 New Street, PE8 4EA T1 - Beech - crown lift to 6m over garden (removing 2 significant scaffold limbs and other smaller branches) to allow more light into the garden.	Recommendation: No objection subject to any contrary views of the Tree Officer. Outcome: GRANTED 15/03/2022
21.98.02.09	NE/21/01763/TPO 20 Creed Road, PE8 4QN Ash (T1)- To reduce crown by 3-4 meters leaving 0.5 meter and 1 meter of growth from previous pruning points; Remove any rubbing/ crossing branches; Remove two small lower limbs (one on northeast side, the other on southwest side of tree- To raise crown and balance tree. Ivy to be severed at base. Raise crown to 3m. Ash (T2)- Remove lower limb on south side of tree - Give streetlight 1 meter clearance of any remaining branches.	Recommendation: No objection. Outcome: GRANTED 15/03/2022
21.98.02.10	NE/21/01671/FUL & NE/21/01672/LBC Lorne Cottage & Lorne House, 38 Market Place, PE8 4AJ Internal and external alteration works to dwellings, including widening gated entrance, new FG and FF french doors, balustrade, side entrance canopy, alterations to flat roof parapet and rendering of walls.	Recommendation: Oundle Town Council objects to some of the proposed alterations due to their impact upon the listed building and in particular the installation of French windows/doors opening onto a flat roof and the wrought iron balustrade on that roof. OTC notes that the combined property has six bedrooms at first floor level and one at second floor level where there are two further rooms (designated as study and games room) which could be used to expand the property to a nine bedroomed one and only a limited amount of on-site parking. If permission is granted OTC would want conditions imposing to regulate the timing of renovation works and their impact upon neighbouring properties. In particular vehicles bringing either workers or equipment or materials for the works to be

		undertaken should not be permitted to park on site or enter JERICHO given the impact of this upon other properties. Outcome: GRANTED 18/03/2022
