15.54.01.04	EN/14/00875/OUT	<u>Sports Hall Milton Road</u> Outline: Demolition of existing swimming pool and existing dwellings and the erection of a new sports centre with associated parking, tennis courts, relocation of running track, re-surfacing of existing sports courts and associated works (all matters reserved).	Whilst we have No Objection to the outline application we are concerned about a number of issues which must be satisfactorily addressed when any application for full planning permission is made. We do not believe that the proposed solo access off Milton Road is suitable, particularly for coaches, and have concerns that the plans could result in surface water flooding off site. We share residents' concerns that the number of coaches visiting and staying in the parking area provided will cause noise and other nuisance.
