Cllr Fitzgerald provided a report on works that are required to fit out Fletton House once the building work is complete. It was agreed that

14/7/15

the work requirements would be shared with the Maintenance Team to establish how they could support the completion of the work, with the agreement that any shortfall in outside maintenance tasks could be assigned to temporary resource.

OM14.66 Council Matters

OM14.66.01. To consider the structure and membership of the Council's Committees and Working Parties and the frequency of meetings in 2015/16.

It was agreed that in order to streamline the Council's meeting schedule, meetings should be held concurrently when the administration resource allows for this. As a result it was proposed that each Councillor should be assigned to either:

- Planning Committee or Estate Management Committee and
- Neighbourhood Planning Working Party or Fletton House Working Party

This would enable monthly meetings of these to take place through only using two Tuesdays each month. It was also agreed that the make-up of the Operations Management Committee would remain as is and that this be held on the second Tuesday of every two months, with a meeting of the Council's Communication Working Party taking place every alternate second Tuesday. Full Council meetings would continue to be held on the third Tuesday of every month.

The meetings for the QVH Trust were also considered as concern was expressed that not enough time was available to enable the effective administration of the Trust. It was proposed that these be held prior to the Estate Management meetings so that day to day activity could be progressed with two meetings of the Trustees to be held before a Full Council meeting.

The Clerk was asked to produce a 2015/16 meeting schedule for the next Full Council meeting based on these proposals.

OM14.66.02 To review the 2014/15 Town Council work plan. (Chairs to provide verbal update)

Fletton House – Cllr Fitzgerald advised that the work programme had slipped to late June/early July with 1st September 2015 being the agreed date that the building would be open to the public. She advised that the final costs were still pending but that these were being chased. Cllr Fitzgerald also advised that she had purchased some furniture items from the agreed budget and that these costs would soon be reclaimed.

Operations Management – Cllr Radcliffe reviewed the work programme confirming that everything was in progress.

OM14.66.03. To receive an update on the review of the Council's Policies and Procedures.

The Clerk advised that this was still work in progress but that the policies relating to Risk Assessments and Internal Audit would be

presented at the Full Council meeting next week in order to fulfil audit requirements.

- OM14.66.04. To consider the accounts from the 2014 Christmas market and to agree any actions to remedy the financial shortfall.

- OM14.66.05. To consider the proposal to donate lamppost fittings to the Council in return for free use for the Oundle International Festival and Food Festival for a period of 7 years.

OM14.67 Financial Matters

- OM14.67.01 To review the 2014/15 expenditure, income, reserves and investments.

The 2014/15 expenditure and income was reviewed with the Finance Officer and Head of Finance confirming that they had carried out a line by line analysis. A further review was due to be done to ensure that all budget headings and the amounts assigned were organised for the next financial year. They confirmed that the reserves and investments were also under review.

- OM14.67.02 To consider the 2015/16 budget and make any amendments to allow for additional spend requirements.

It was noted that this was being carried out as per item 14.67.01. and that recommendations would be forthcoming. The Finance Officer highlighted the need to purchase Council ipads before the next Council term in order that this revised way of working was embedded from day one. This was unanimously agreed and the Finance Officer was asked to obtain quotes and also a protocol for their use.
