IMPORTANT NOTICE FROM East Northants Council

Subject: Severe Weather Emergency Protocol (SWEP)

Rough Sleeper Severe Weather Provision

Due to the current severe weather, the Council has activated its Severe Weather Scheme for rough sleepers. We will ensure that everyone has access to shelter during freezing temperatures, regardless of the normal homelessness eligibility rules.

If you are aware of anyone who is facing the prospect of rough sleeping during this severe weather period please call the Rushden Night Shelter first on 01933 353946 or the council's housing options team on 0345 600 50 50. If you are calling during the night, you will be directed to an out-of-hours telephone number.

The scheme will remain open until we provide notification that it is closed.
