

FYI - The programme for the temporary but TOTAL closure of North Bridge next week is confirmed as below - this closure will affect ALL vehicles (but not pedestrians), not just width or weight limited ones.

Please share as far and wide as you can, online, by word of mouth, semaphore, whatever it takes -

- 25th – 27th March – 24 hour total carriageway closure (not sure of start time on 25th but assume early)

- 28th March re-open for 1 day – No work

- 29th - 31st March 24hr closure. Road reopened Sunday evening.

The footpaths will be open to pedestrians throughout the carriageway closure.
