

PHONE **01832 275433**

EMAIL **ADMIN@VOLUNTEERACTIONOUNDLE.ORG.UK**

We are still operating but have modified our services during the pandemic and are currently able to offer:

- Transport to **medical appointments only**. This includes dentists, opticians and all ancillary services. We can also help with getting you to your COVID vaccination appointments. A per-mile charge to contribute to driver expenses applies. 
- A **shopping and delivery service** – we will shop for groceries at Waitrose or the Co-op in Oundle or Thrapston, if you are unable to access online shopping or help from friends/family. There is a set contribution towards driver expenses of £3 wherever you live. 
- A **prescription pickup and delivery service**. There is a set contribution towards driver expenses of £3 wherever you live. 
- **Befriending** schemes either by phone or in person, where appropriate, to comply with existing restrictions. These are free of charge. 

Do not hesitate to call us to see how we can help.

Membership is free (eligibility criteria apply)
