

Information for Local Residents

Background for Residents

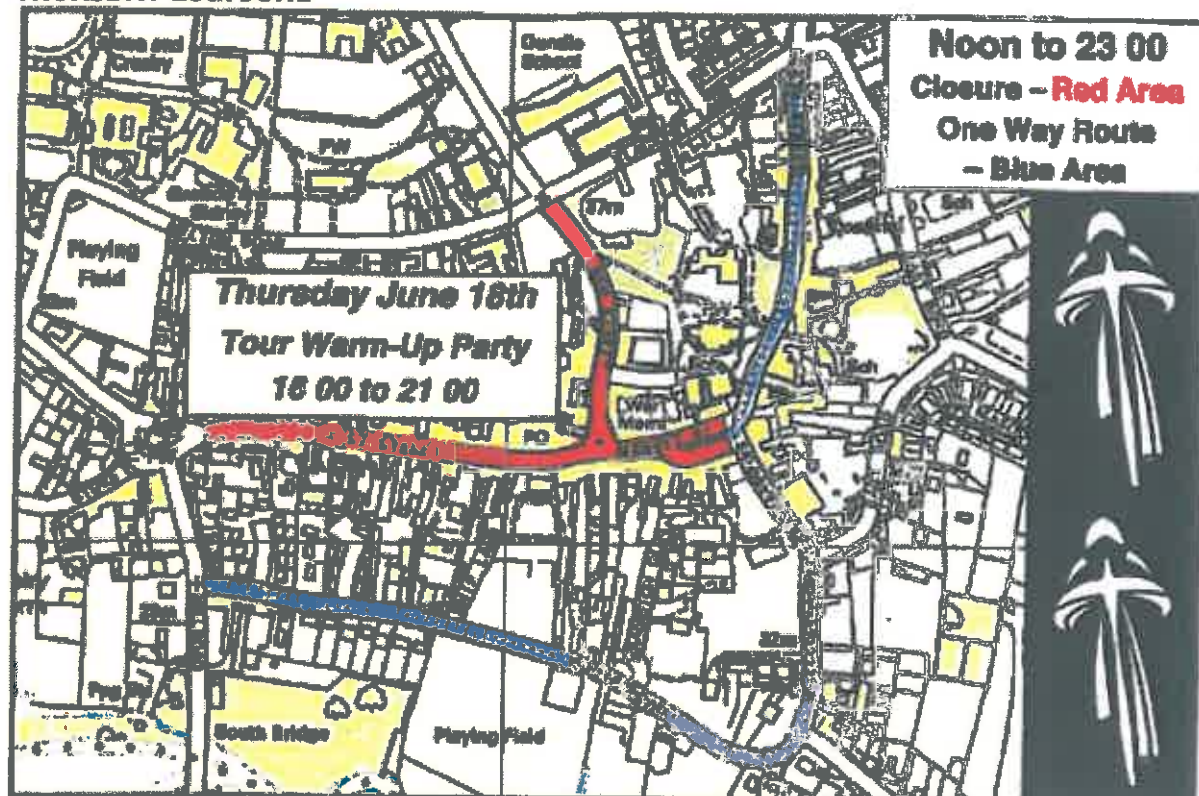

Oundle Town Council's vision for Oundle is 'that it remains a beautiful thriving market town renowned for being a fantastic place to live, work and a joy to visit'. Oundle needs to encourage economic, commercial & recreational opportunities and the Women's Tour is excellent platform to do this and promote ourselves.

In 2014 we saw an event take place that many will remember forever. The atmosphere was electric in the town on race day – let's do it again! With the support and assistance from our residents we can put our Town on the map and attract visitors to keep Oundle a vibrant and prosperous place for the benefit of all. Please get behind the event and make it happen again for Oundle.

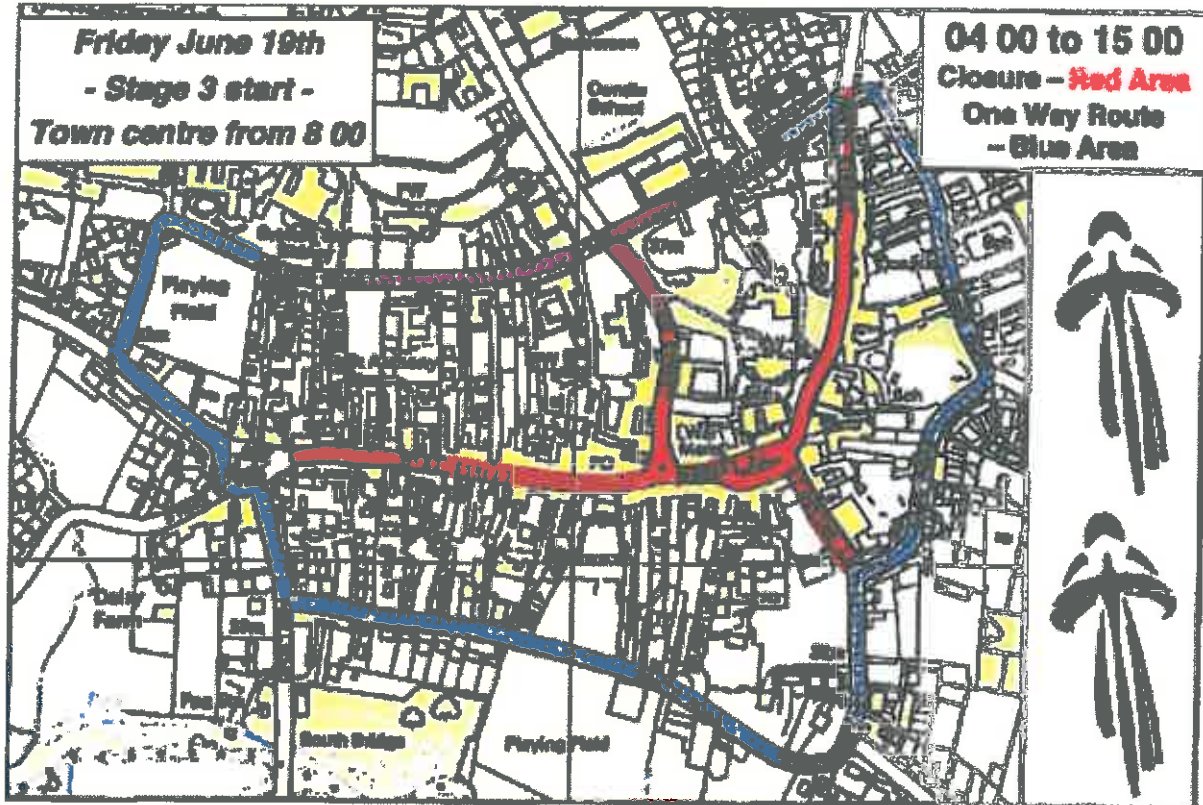

Road Closures

For safety purposes and to enable the event to be staged there will be a number of Road Closures. NB. All public car parks will remain open.
